PLANS FOR OG SVERIGE AB

ORANGEGAS BV - MANAGEMENT

ORANGEGAS SINCE 2008

2008

Founded by Marcel
Borger and Pelle
Schlichting

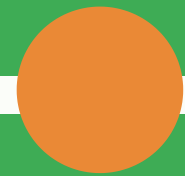

2010

100% Bio-CNG

2011

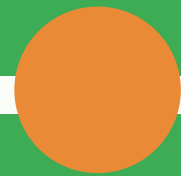

OrangeDream
vision – becoming
clean fuel retailer
out of natural
sources

FAST GROWING

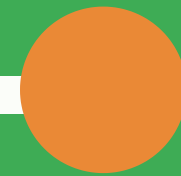

2014

Starting with Biogas upgrading after purchasing biogas upgrading facilities Beverwijk and Mijdrecht together with Meewind

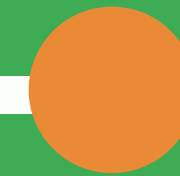

2015

Reaching 50+ network of Bio-CNG stations in The Netherlands

2016

First EV supercharges in Amsterdam and Oostzaan, Meewind becomes majority shareholder

2017

Starting in Germany with 12 Bio-CNG stations

SHAREHOLDER AND SWEDEN

2018

ABN AMRO ETF becomes majority shareholder (55%), Co-Founder Pelle leaves the company and Jeroen Meiberg, financial controller, steps in as shareholder and becomes CFO.

2019

First steps in Sweden with winning the tender for the Farjestaden Biogas Station and getting first Klimatklivet grants for Borgholm (both Oland)

2020

Takeover of 75 Bio-CNG stations from EWE in Germany. Takeover of four Bio-CNG stations and one busdepot in Helsingborg, Sweden. Opening of super and fast charger square near Schiphol Airport. Opening of two hydrogen stations in the Netherlands. Building of new Bio-CNG locations in Farjestaden, Sweden.
